To whom it may concern:

I am writing this on behalf of Mike and Robyn Vanosdall as a recommendation for Royalty Coach "King of the Road." I personally have been renting from A Royalty Coach and Limousine since Sept of 2001 and have been extremely happy with not only the excellent service but also the cleanliness and excellent condition of all the buses. I have always been more than pleased with the high level of caution and knowledge exhibited by their drivers. I have been so happy with the buses that I recommended them to my boss, Jay Stoner and he started using them for home tours for high end clients and realtors. Many of those people were impressed and began using them for their personal and business endeavors. We have all recommended and re-recommended Royalty Coach and have never been disappointed.

We all feel good about using a company that is licensed and insured. They have an excellent driving record, and I believe the customer service is first class. Safety is very important and Mike and Robyn have consistently proven themselves to be nothing less than diligent in the maintenance and performance of their vehicles.

No matter where or how far you go, I am confident you will be extremely satisfied if not overwhelmed with what this company can offer you.
